

Gateway of Science Poster Exhibition

Opening Ceremony

The Doctorates' Council of the National University of Public Service (NUPS) cordially invites you to the opening ceremony of the Gateway of Science Poster Exhibition.

Together with the National Association of Law-Enforcement Ph.D. Students, Association of Hungarian Ph.D. and DLA Students, Department of Law-Enforcement, Department of Military Sciences, Department of Public Administration and with the Hungarian Military Science Society Kápolnai Pauer István Youth Club the Council organizes the poster exhibition which has become a tradition during the years. One of the exhibition's sections is also part of the European Cybersecurity Month events.

The competition offers opportunity for those who are interested to present their researches and achievements. The posters will be exhibited in a limited number, where those BA and MA posters who received the highest scores from the professional jury will be able to present their researches at the In Service of the Nation interdisciplinary Ph.D. conference.

The organizers will take care of the printing costs of the exhibited posters.
